

# COVID SAFETY GUIDELINES HELPING US KEEP YOU SAFE

## 1.5m DISTANCE

Artists should ensure the above distance requirements between each Artist and people in the room. This does not include the Artist and the client currently being worked on

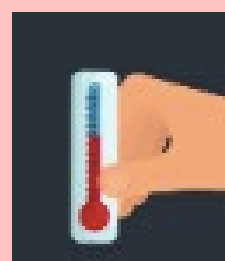

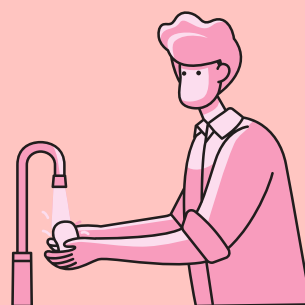

## Feeling Unwell

If you or one of your group are feeling unwell the Artist unfortunately will not be able to work on the client. Please advise as soon as possible so the Artist can take precautions.

## Masks / Gloves

It is optional for yourself or your Artist to wear masks or gloves. Please do what feels comfortable for you.

## Washing Hands & Taking Temperature

Before you sit in our chair we are both required to wash our hands and we will take your temperature. We will have hand sanitiser as well to ensure the safety of us both.

## Working Together

As required by the Federal Government we are required to take the following details for each client and have you answer some preliminary questions before the commencement of your appointment.

NAME, PHONE NUMBER, EMAIL

These details will be kept private and are purely for contact tracing information if required.

We will ensure the hygiene of our makeup tools and products used during your appointment. Fresh clean brushes will be used for each client, decanting of products onto a hygienic palette
